S3 Housing Connect seeks to bring together the needed resources in Sanford and Lee County to create a coordinated and comprehensive approach to ensure that homelessness is prevented whenever possible, or is otherwise a rare, brief and non-recurring experience.

The overall goal of the Service Provision Committee is to identify existing services and support for the homeless as well as gaps in those services and supports, and bring those resources into a coordinated, community wide plan. The committee is tasked to focus on key areas such outreach and engagement with the unsheltered homeless; coordinated intake and assessment; prevention and diversion, and other social services.
