

S3 Community Engagement and Outreach Committee 10-10-19

Members present: Ruth Price, Rachel Picard, Betsy Jungkind, Tamara Brogan, Gabby Murillo, Earl Murphy

A Chair for the committee has not yet been established so Tamara ran the meeting. Committee discussed:

1. Trying a One on One approach with the commissioners in an attempt to get them more involved and committed to S3 and our mission and projects. It was also decided to do a one on one approach with the city council as well to keep them engaged in S3.

Assignments:

Cindy - John Crumpton and Cameron Sharpe

Earl and Tamara - Amy

Gabby - Robert

Betsy - Andre

If new members know any of the other commissioners not already taken we will ask them to reach out to the commissioners.

2. 2020 PIT Count. Even though the PIT count will involve all of S3, the committee felt that the data and tech part of the count would be the responsibility of the Community Engagement committee. Sherry did the count the first year. Jeffery was in charge last year. Committee will talk with Sherry to get information about moving forward with the data and tech part of the process.
3. Committee discussed going over and using Rachel's PR campaign for S3. We need to make sure we are on the same message.

We agreed that our committee meetings will be the 1st Tuesday of the month. Our first meeting is Nov 5th. Location TBA
