

S3 Community Engagement and Outreach Committee 11-5-19

Members present: Ruth Price, Tamara Brogan, Cindy Hall, Earl Murphy

Also present: Karen Kennedy and Stan Holt

Cindy Hall, Chair of the committee, ran the meeting. Committee discussed:

1. The committee went over the strategic planning notes from Stan's notes of the Sept 19, 2019 meeting.
2. It was discussed that we need to finalize our message before we do any presentations throughout the community. At the next meeting in December, we will decide on 3 key messages about S3 and we will go over Rachel's PR campaign. We also discussed getting 2018 numbers and some 2019 numbers to add data to the message.
3. The committee discussed having Tami or Lesa talk with the committee about talking points with the commissioners with every member who is going to have a mtg with the commissioners. Cindy will get a list of commissioners.
4. 2020 PIT Count. Even though the PIT count will involve all of S3, the committee felt that the data and tech part of the count would be the responsibility of the Community Engagement committee. Cindy will work with volunteers and Stan will talk with Karen and Rachel to see how he can help organize the count. The PIT count will be at the end of January 2020.

Our next meeting is Tuesday December 3rd at 5pm at First Baptist.
